

ARTery Studio: Mobile Paint Party Customer Guide

DESCRIPTION:

Let us bring a canvas painting party to YOU! An experienced art teacher and assistant will travel to your home to facilitate a 45-60 minute canvas painting class for your party guests. For ages 5 and up. We can accommodate up to 15 party guests.

We will bring all the art supplies and plastic table coverings. Customers must provide tables/chairs.

We can travel to Medford homes or local homes within 10 miles of 43 S. Main St. Medford.

ART PROJECT:

Choose from one of our [canvas painting designs](#). Students will paint 9x12" canvas using acrylic paint. Students will be provided with a foam brush, and 2 detail brushes. Brushes are disposable, or keep if you'd like!

PARTY DETAILS:

Expect ARTery staff members to arrive about 30 minutes prior to the art class start time for set-up. Please have tables and chairs ready to go. Each artist will need enough workspace for a 9x12 canvas, water cup, and paint brushes. You will provide tap water to fill water cups. The ARTery will bring plastic table coverings to protect your tables and smocks for the kids to wear. (See below for full list of what The ARTery will bring)

We recommend having the students socialize/party in a separate room from the art class.

The teacher will guide students through the canvas painting step-by-step. Students will need to follow the teacher's verbal directions in order to be successful. Canvas painting takes focus. To limit background noise and

distraction, we recommend parents and additional party guests hang out in a separate room during the canvas painting class.

After the painting is done, students can go back to socializing while the ARTery staff clean up and pack up the paintings in brown paper bags labeled with each student's name. The staff may utilize an outlet and hair dryer during the class to quickly dry wet paint if needed.

*Note that ARTery staff does not provide supervision to the children prior to or after the art class. The ARTery is only responsible for the art class portion of the party. Any additional activities or games will be up to the customer.
