

Paint Party!

YOUR PARTY WILL BE A WORK OF ART!

Paint Parties are for kids age “turning 6” and up

Your child will have a blast painting with all their friends during their very own canvas painting party! Choose your favorite design from our library of paintings.

When guests arrive, they will have about 10 minutes to socialize before the class begins. Then our staff will direct the children to our art class tables, put on their smocks, and get started! Students will receive step-by-step guidance to create their own acrylic canvas painting! When the paintings are complete, kids can go eat and socialize for the remaining 30 minutes. Meanwhile, our staff will dry and pack up the paintings in paper bags with the child’s name to take home!

Many families choose to BYO party decorations, food (pizza), and cake. It’s totally up to you! There is no access to refrigeration or oven. No alcoholic beverages are permitted. If you choose to hang anything, it must be attached with painter’s tape for easy removal.

24 students is the max number of students.

All children age 4 and under may attend, but they are too young to participate in the painting class and must be accompanied by an adult at all times.

Adults are welcome to stay during the art class, just please be mindful that the talking volume in the room needs to be kept low in order for the students to hear the teacher’s instructions.
